Call to Order

Chairman Doug Ritz called the meeting to order at 12:30 p.m. in the Commissioners Room of the Courthouse. Commissioners Ritz, and Hebb were present, as well as, County Clerk Vicky Wedman. Commissioner Liebau arrived shortly. Discussion on the topic was withheld until he arrived.

APAC is currently paving the Grenola cemetery road. Mayor Terry Kill said the city would like to extend the paving of Cyclone/Bois D'Arc to the city limits and asked if the county would be willing to share in the cost. The city thought the limits began on the north side of the road but the appraiser's office had the limits on the south side of the road. Stephanie Ollenborger brought in maps from the Register of Deeds office to try to make a determination. The commissioners spoke with Appraiser Karen Spencer by phone from her Chautauqua County office.

The commissioners determined the road is in the city limits and unless documentation is found to change that determination, the county will not help fund the paving of the road.

Adjournment

Commissioner Liebau moved and Commissioner Hebb seconded the motion to adjourn the meeting at 2:46 p.m. Motion carried 3-0.
